

Are you stable on medication for opioid use disorder?

Contribute to our research at DH Addiction Treatment Program in Lebanon, NH.

What is the purpose of this study?

To learn more about how to help people who have decided to lower or stop their medication for opioid use disorder (OUD)

You may be able to participate if you:

- Are at least 18 years old
- AND**
- Have been on Suboxone® for 1 year or more and decided to lower your dose
- OR**
- Have been on Vivitrol® for 6 months or more and decided to stop

Participants will receive:

- Medication for OUD as needed at no charge
- Medical Management visits at no charge
- Compensation
